FLOATING LODGES

FLOATING LODGES

Discover Urban Blossom's contemporary floating lodge retreats. Merging modern design with natural serenity, our retreats redefine relaxation and experiential stays.

Seamlessly integrating luxury living into floating lodges, each design offers panoramic views from water facing front decks, contemporary exteriors and interiors, all creating a revitalizing escape. Experience architecture and nature in perfect harmony at its finest.

The lodges are delivered as one unit, ready to crane onto their pontoons. A plug and play approach offers easy install for clients and resorts.
