Unique Experiences

Urban Blossom launches its range of luxury cabins designed to be at one with nature. A luxury retreat experience, the cabin's contemporary design, comfort and attention to detail make the occupants feel calm and relaxed and truly enjoy the surrounding environment.

True to Urban Blossom's philosophy, a strong emphasis is placed on outdoor living, no matter the setting. All cabins feature both covered and uncovered terraces for year-round enjoyment.

Aimed at those expecting modern design, luxury, and comfort, the range of cabins sleeps 2 or 4 and are available in many different layouts to accommodate accommodation-only or provide self-catering facilities.

ALKA

A luxurious cabin designed for two, available in various layouts and sizes, featuring covered terraces for added versatility. Alka is a modern interpretation of rural vernacular architecture, characterized by a simple gable-roofed form with clean, minimalist lines

The covered front and/or rear terraces ensure year-round usability, allowing guests to enjoy outdoor living in any weather. The front terrace offers space for a wood burner, creating a cosy seating area perfect for winter evenings.

ELK

The Elk is a unique space with a contemporary design that sleeps 2.

This minimalist modular cabin embodies contemporary architectural design with a focus on simplicity and integration with nature. The Elk features expansive floor-to-ceiling glazed corner windows that seamlessly connect the interior to the surrounding landscape.

ELK

A minimalist modular cabin with contemporary architectural elements.

The structure is elevated slightly above ground level, accessible via a set of floating steps, which adds to its lightweight and modern aesthetic.

The design emphasizes functionality and comfort, with an open-plan layout that combines private and communal spaces. Its clean lines, flat roof, and understated material palette highlight a modernist approach, offering a tranquil retreat that fosters a deep connection to the outdoors.

SORA

The Sora reflects a contemporary take on traditional rural barn architecture. The exterior is clad in dark timber, providing a minimalist yet rustic appearance that blends harmoniously with the surrounding environment. Floor-to-ceiling glazing on the gable end creates a dramatic focal point, allowing natural light to flood the interior while framing expansive views of the outdoors.

With a unique mezzanine area, the Sora sleeps up to four to create the ultimate glamping experience. A covered rear terrace has an optional wood burner and/or bath to create a magical escape, embracing the great outdoors all year round.

SORA

Sliding shuttered barn side door

A covered rear terrace allows for year-round enjoyment, enabling outdoor living in any weather. The addition of an optional wood burner and/or bath on the terrace transforms it into a cosy and private retreat. Inside, a mezzanine provides extra sleeping space, making it ideal for accommodating guests.
